mandlin tones; whereat the disgusted trage-dian, whose entrance she had spoiled, said in an angry voice, "Yes, madam; and another bowl and you will be insensible." The Pall Mall Gazette, writing of Mr. Boot who is now playing a highly successful en-gagement in London, says: "The Bertuc-cio" of Mr. Booth is a strikingly elaborate Is the Way President Hadden Takes the Dilemma Presented by the Louisiand impressive performance. Grotesque, and to a certain extent repellent, it is intended to be. It abounds, moreover, in contended to be. It abounds, moreover, in contrasts so violent and transitions so rapid as almost to take away the breath. Intensity is the highest quality it displays. This it possesses in a remarkable degree. Its principal shortcoming is in respect of ferocity, which, though requiste to the part, is apparently out of Mr. Booth's reach. As an exhibition of histrionic capacity, and as a complete realization of conception of character, Mr. Booth's "Bertuccio" is equally noteworthy. That a different idea Captain L. E. Patton Fined Twenty Dollars for Not Having the Reg-The case of the Taxing-District on Cap-

is equally noteworthy. That a different idea of the character presents itself to other minds is scarcely to the point. The baffled than usual importance. Captain Patton left New Orleans some days ago with a clean bill of health from the Marine Hospital rage and impotent efforts of the being who seeks, as he states, to grasp heaven's lightning, and draws the bolt on his own head, are strikingly shown Board of New Orleans. Dr. Black, of Sta-tion No. 2 (Presidents Island), of the National Board of Health, noted the follow-ing on the boat's New Orleans certificate: are strikingly shown, and the manner is which the face of a suffering man is flashed rom behind the mask of the buffoon is disinctly fine.

The boat was not inspected in New Orleans by the National Board of Health, and her papers were irregular. There is no sickness on board. Boat is in fair condition. I take no responsibility as to passing the boat, as the papers are irregular. FACTS FOR FARMERS. A paper was shown, signed by Joseph Jones, M.D., president of the Board of Health, State of Louisiana, who states to Surgeon General Hamilton, of the United a Year Behind. States Marine Hospital service, at Washing ton: "The welfare of the country will be How They Got Into that Condition, an promoted if the inspection service in the Mississippi valley and throughout the United States should be confided to your depart-ment, which has facilities for the proper treatment and isolation of infectious and Bow to Get Out.

contagious diseases. New Orleans is in good sanitary condition and absolutely free from Powns Agencies on the following remarks: "The local board of the Taxing District maintain that of the Otober term of the Criminal Court will see arrested on a similar charge—that of game issued by the National Board of Health, and this Court will see that all the orders of the local Board of the same. It requires the prosecute the game appearance Monday. Judge Brown appeared for the defense of Waterson, and to prosecute the gamblers.

After admitting passet that the farming community of the South is at least one year the Peabody Hotel, and was beasten to the project of the gamblers immediately had Waterson aware and the Otober term of the Criminal Court. The gamblers immediately had Waterson are studied on a similar charge—that of gamble and the orders of the local Board of feelth, and this Court will see that all the orders of the local Board of feelth, and this Court will see that all the orders of the local Board of feelth, and was repearance Monday. Judge Brown appearance Monday. Judge Brown appeared for the defense of Waterson, and to prosecute the gamblers.

The gamblers immediately had Waterson appeared for the defense of Waterson, and to prosecute the gamblers.

The gamblers immediately had Waterson's trial is set for to corrow, he giving bond in the sum of \$250 for his appearance Monday. Judge Brown appearance Monday. Judge Brown appearance Monday. Judge Brown appeared for the defense of Waterson, and to prosecute the gamblers.

The would appear that the Marine Board of Health to weet the Marine Board of Health to weet the Marine Board of Health to meet the demands of this local stand. The proposed stands of the should specify the provisions were not excreased on a similar charge. The was provisions were not excreased on a similar charge of the same. LOCAL POLITICS. Bemocratic Convention Called for the Purpose of Choosing a Candidate for Congress.

The Bolters Meet and Pass a Resolution to be More Vigorous and Pug-It will not be long now before politics will again assume a lively aspect. The Democrats will hold a convention to nominate a candidate for Congress, and a real strong man will rout the B publican cohorts. The High-tax Democrats, or bolters, passed a field resolution yesterday to make a vigor-ous campaign, which reminds one of the

small man's resolution to become a giant, The following is self-explanatory: A CONGRESSIONAL CANDIDATE. MEMPHIS, August 12, 1882. At a meeting of the Democratic Congressional Committee of the Tenth district, held this day, it was reselved that a convention be called to meet at Memphis on Wednesday, September 20, 1882, to nominate a candidate for Congress for the Tenth district, the basis of representation to be:

"Wa'al, brother farmers, these is cu'rous days.
T' think o' sakin' one of farmin' pays!
I ain't no hand to write, but of ye please.
I'll try to l'arn ye some o' my idees."

-Henry S. Goodale in Harper.

To the Editors of the Appeal;

was the proceeds of just two bales of cotton.

The great majority of laborers were content with a bare living and each made but four Memphians at Tennessee's Favorite bales of cotton, two for his employer and two for himself, when he could easily have made eight. As the price of cotton continu-ally declined it required more bales of cot-

his financial situation squarely in the face, and if he finds himself in debt in the degree

I have been describing, he must vote himself a poor man and must live as a poor man

acres to regard himself a poor man, but if his land in under mortgage he is a poor man. Whether it is wiser in him to sell a part of his land to relieve the rest, or whether he

had better get out of debt by strict economy is a question for himself, but there is no question that out of debt he had better get. In slavers times there were frequent instances of planters in the South who held

property worth \$100,000, on which there were accumbrances to its full value, yet these men

Call and get your bargains.

Nor cheap photos, but the most elegant photos, only \$2 a dozen at the Cottage Gallery. Floyd's Ladies' Restaurant. Patrons of our house will appreciate the many improvements lately made. Our Res-aurant will compare favorably with any in Shoe dealers at the corner of Main and I their stock of summer shoes. There is finer or more reliable stock of boos shoes in this city than are always found the sh lves of Messra J. M. Hill & Co. Li tle boasting is indulged in by this establish ment, and consequently when they say prices are reduced the public are willing to believe it. Sizes are yet unbroken, and parties de-siring goods should call before placing their orders elsewhere.

Made with great care, finely flavored and fresh every day.

Experience tells them to go in and lay up a stock for next season if they are already fully stocked for this season. Neckwear in great abundance, underwear of all sizes and finds, as well as a complete line of gents' furnishing goods. Remember the place, 269 Main street, opposite Court Square.

DISINFECTANT, NEW AND WONDERFUL INVENTI AN EFFECTIVE, CHICATS AND SIMPLE MEANS OF stroying Bed Bugs, Cockroaches, . Moths and Parasites of all kinds. Moths and Parasites of all kinds.

The apparatus for generating the steam is an ordinary nursery lamp holding half a pint of the Medicated Fluid, with a tube at the top to direct the Medicated Steam upon any point infested with insects. It is heated with a small spirit lamp beneath the boiler. For Dwellings, Hotels, Steam Ships, Restaurants &c., nothing ever discovered equals this appliance. It is harmless to human life; is inexpensive and simple in its use. While a most potent means for destroying Vermin most potent means for destroying Vermi it is the best disinfectant known and may be most effectually used to prevent the spread of contagious diseases, such as Yellow Fever Scarlet Fever, Typhold Fever, Diptheria, Small Pox, &c. One trial is the best proof of the great advances of this over all other
